I volunteer as often as feasible, and there are days when it just pays to come to work.

Like when a nice young stud comes in and I get to service him. There's nothing like making a big, ailing cock feel better; and then that cock makes me feel better. I heartily suggest that if you have time to volunteer,

## MATURE MENTOR

Ben isn't much to look at—like, I mean, he's quite a bit older than me and kind of chunky, but the things he can do to a girl!

I'm just 18 and learning about sex, and you might say that Ben is my mentor. He's like 40 years old or something and incredibly experienced, while I'm still a virgin. I know it's hard to believe, but it's true. We've played around, but he's never put his thingie in me. Not yet.

The first time we got together Ben kissed my lips. Pretty soon, his mouth crept down to my neck. Then he nuzzled my breast as his fingertips brushed against my backside. Incredibly sexy! He bent over my tit and blew gently on my nipple, which made my nub tingle and stand up straight. He did the same with the other nipple, while his hand caressed my other tit.

I'd never felt like this before—all this warm tingling all over my body, but mostly between my legs. And I was getting so damp down there that I was positively leaking!

Ben played with my nipples, lipping them, bathing them with his tongue, sucking gently until the little pink peaks stood up. I just melted. I could hardly breathe from all the feelings jumbling around inside. My skin felt like it was on fire.

## *You never looked so damn good!*

Julia Ann, you've aged so well. Almost like you're twenty again. I remember first seeing her in a sizzling hot ice dildo scene with Janine Lindemulder back some twenty years or so. That scene alone helped raise my manhood more than fifty times. But I digress... Julia Ann has been a porn stalwart for more than two decades and the whole word, porn and otherwise, should revere her for it. I'm sure she has helped many a young man pass into full manhood with her incredible beauty, astonishing eroticism, and sexual positivity. I appreciate her longevity and willingness to stick with what she does as thousands of females pass through the doors of adult entertainment never to be seen again. Like that special rock-n-roll song that sticks with you, watching her today brings me back to a more wonderful time. Thank you Julia Ann!

—Chris M., Houston

I trembled, and Ben said, "Trudy, breathe deeply." I did as he said, and the shaking slowed a bit, but the tingling between my thighs just got worse. My pussy throbbled. I'd never felt anything like this before.

Then Ben pushed me back onto the bed. He kissed the tips of my tits, then left a trail of kisses all the way down to my pussy. I've shaved it bare, the way he likes it, and I have to admit it's pretty cool to touch.

"Like velvet," Ben whispered in awe. "Beautiful girl-velvet." And he stroked my soft mound.

Ben's tongue flicked up and down my crease. He pushed my legs open, and his tongue followed my slit down...all the way back to my back hole. His tongue poked up, then down again, and each time he caressed me, I felt a shudder go through me.

"Are you close to coming?" he asked, raising his head to look at me. A drop of pussy-juice glistened on his cheek.

"Close," I moaned, and I knew I was. I was almost there, almost, almost. When he pulled away, I came down a bit, though I was still trembling.

He began sucking and licking my pussy, his tongue thrusting deep inside me.

"Yessss, Ben," I squealed, "yesss." I arched my back—I wanted his

tongue deeper in my sopping slit. His hands kept on caressing my tits, tweaking and tugging at my nipples, first one, then the other, like he was milking me. And then suddenly all this incredible rushing feeling welled up inside me, and it was like I was riding a wave higher and higher. I screamed as I came.

My juices really flowed then, and he drank my honey while his tongue continued to fuck me. He brought me to orgasm again and again, time after time. Minutes went by, and I would have another orgasm. I didn't know a girl could come that often! It was incredible! I must have come 20 times or more, and I was just limp.

"You must be one happy little pussy," Ben whispered in my ear.

"Ummm," I sighed. I didn't think I had a bone in my body that hadn't liquefied. "I've never felt so good."

"I'm glad, baby."

I stretched, my tits pointing upward, and smiled over at him. "There must be something I can do for you."

"Oh, there is." He winked, then put his arm around me, and we kissed. I nibbled at his man-tits, then kissed my way down to the thick nest of hair at his groin. I had only touched his thingie a couple of times—he was very particular that I not touch it while he was pleasuring me—but now he whispered for me to caress it.

Now I saw his thingie had gotten really fat. It was long and thick anyway, all

ropey and veiny, and even as I watched I could see it rising from its nest. The head was a big purple knob with liquid seeping from it.

I giggled nervously, then rubbed the pointy tip of one tit against his shaft. Ben moaned. Tentatively I put my lips on the tip.

"Yes, baby, do it. Take it in your mouth."

I wasn't sure it would fit—I really had to stretch my lips, and it was awfully tight. He grunted as I bobbed my head up and down. His thingie went farther into my mouth. I slurped and licked it up and down, and I could feel its big tip tickling my tonsils. I started to choke a bit, and he told me to relax, and I did, and it worked better. Then he stated moving his hips, thrusting in and out of my mouth, and I guess you could say he was fucking my face.

His thingie swelled up even more, and then suddenly he cried out and sent a geyser of hot, sticky cum

down my throat. I drank as much as I could, swallowing what had to be tons of his juice, but even so some leaked out of my mouth.

Ben said I looked good enough to eat. He pulled his limp thingie out of my mouth, then ate my pussy again until I came. Cool!

Ben has taught me so much, and I've had such a great time, but you know... he says he's going to take my cherry tonight, and I can hardly wait!

— *Trudy, California*

## TANTALIZING

My story? Glad you asked. The other nite I went to a Vegas casino with my man on a Friday nite. It was one of those places where they had food and a dance club in the same place. We had been there before, but it was over a year ago and they say the place has gotten better.

We got there a little late (as always), but by 10 pm

we were sitting and eating. He had dressed up for me tonite and I was wearing a hot outfit I bought the day before. It was a short (of course) black number with rhinestones around the trim. It made my legs look great and was so low cut that I had to keep pulling it in so my boobs would not fall out. I was hot.

When we sat down at our table, my guy was a real gentleman. He pulled my chair out and suggested he order dinner for us. Then he put his hand on my thigh, his fingers gently caressing the skin at the edge of my skirt. He made lazy circles right then left, and smirked as I tried in vain to concentrate on the waiter as he offered us the wine list. My mind was focused on his fingers, and that slow tantalizing feel.

I heard his voice say something to the waiter over the humming in my head. His eyes returned to me as a slow smile played on his lips. Leaning closer, he whispered against my neck, his breath playing on my skin. He told me how much he wanted me—right then and there.

As he spoke to me, his soft lips brushed my neck, his nose nuzzling my ear, his lips grazing my flesh with his teeth. Mumbling through my teeth I asked him to stop because he was making me horny. Well, that wasn't going to stop him, nor did I want him to.

He knows I want him

to fuck me. It's written all over my face and I cannot hide it. Squirming in my seat, he nipped me again this time lower on my neck. I looked around the restaurant to be sure people were not staring at us.

The waiter shows up just then (bad timing, dude) and shows us the selected wine. Quickly it was poured, tasted, and poured again, the red reflecting lights from the candles on the table. Under the table, I shifted my legs, his fingers never left my flesh. This time he swirled his fingers around my thighs, stroking them from my knees to my – well, you know where.

As he toasted us, and smiling ever so sweetly, with long careful fingers, I felt the fabric of my skirt lift. Sliding from the top into sensitive areas in between my legs. Ever so lightly, gently and with extra care, he traced the inside of my thigh. I was squirming so much, it must have looked like I had ants in my pants.

Our meal ended as we polished off a second bottle of wine. He told the waiter to bring us dessert in twenty minutes. We listened to the music as it poured through the restaurant, calling everyone to get up and dance. Leaning into my ear, he whispered that he would love to dance with me. He maneuvered me away from the table and over to the dance floor. The first was a slow dance

as his hands settled on my waist, his fingers spreading down over my ass. My breasts ached to be touched. My heart pounding as we moved to the music our bodies moving as one. Kissing the top of my head his fingers played along my back, up and down lulling me into sweet relaxation in his arms.

We swayed closely as he whispered into my ear how much he wanted me, and he wanted me now. I whispered back how much I wanted to use my tongue, fingers and lips to make him cum. That was enough. His lips crushed into mine, his fingers digging into my back, his tongue fighting against mine, the tangled dance of lust. My fingers ran up his chest on the inside of his jacket, brushing against his nips, causing him to gasp

against my lips.

The music changed pace as it played around us, flowing in and through our bodies. We danced across the room into a dark corner. I found my back up against a wall, his lips against my neck, sucking gently. My body trembled against him, screaming for him to touch me and quench the fire that was burning between my legs.

The beat of the music matched our heartbeat, kissing down my neck, he moved over the collarbone, down between my breasts, his hands running up my thighs and under my skirt. Squeezing my ass, kneading it with his fingers I arched against him, pleading for him to touch me.

I lifted my leg and put my weight on his shoulder as he knelt in front of me. His tongue touched

my wetness, I felt him sigh against my clit, as he pushed my thong aside with his teeth. He buried his tongue inside me. It tongue was furious as he tasted my sweet nectar, swirling my juices with his as my body bucked.

All I could hear was the music pounding in time to my heart, his hands on my ass, long fingers caressing my buttocks as he thrust his tongue into my vagina and then played tongue games with my clit. Biting me gently, pulling at my lips with his teeth, he inserted a finger into me, which sent me over the edge. I convulsed around him, my pussy vibrating against his mouth as his tongue and fingers undid me right there in the club.

The house light came back up and quickly he pulled my panties back up, tugging my skirt down he gently took me in his arms. He whispered in my neck how fine I was and I could smell myself on his lips, the smell of sex. Slowly we danced our way back to the dance floor and then to our table. Dessert was waiting.

It's been a while since I had a good fuck, and will be longer since I've now got me a new toy. Strange, but I don't remember my last guy or the size of his cock. I think it was large. I think he got himself a new woman! But I don't need him anymore.

They used to call me a bodacious blonde bombshell, but I'm just a shy girl that turned into a sexpot – that just loves to have sex. Now it wouldn't be right to tell you when I first sucked a cock. Would it really make a difference.

But once I did, and I saw what I could do to a guy, well, I just couldn't stop myself. Oh well, until that next tryst, I'm all in for a bright blue dildo – and you!

a trip to the zoo brings two babes together

# inspired mating

*A DAY OUT AMONGST THE ANIMALS OFFERS SOME HOT INSPIRATION?*

It was at the zoo that I met her. I had had a mid-week day off—our office works on a flextime schedule, and sometimes I like to put in some long days in exchange for a free day. And I had decided to go to the zoo. Since it was a school day, there wouldn't be too many kids there, and I hadn't been to the zoo in around a year. It was a crisp fall day—perfect weather for strolling around the zoo.

Wandering among the animal exhibits, I watched a sleek panther pace restlessly, some lions stretched out in the sun, playful seals splashing in the water, and some otters who didn't seem to be doing much of anything. Then I came to the monkey enclosure.

One monkey groomed another one's head. Two swung excitedly from a branch. Another skittered back and forth along the ground. And then two suddenly caught my eye off in a corner...I realized they were about to mate. Sure enough, the male and the female began an ardent coupling that, to my amazement, aroused a similar passion in me. I suddenly realized I was horny...and getting very turned on by watching our genetic cousins going at it with abandon, oblivious to the fact that they had a few observers.

"If they like doing it in public, maybe they should be making x-rated movies." The voice had a smile in it and came from my immediate left. I turned abruptly to see who was talking to me. I saw a woman around my height, but with an even curvier figure, auburn hair, green eyes, a pug nose, and freckles. She looked mid-fifties-ish. "It's kind of hot to watch, isn't it?" Her smile was impish.

"Y-yes," I admitted hesitantly.

"Oh—sorry—I'm Sheila," the redhead said.

"Jacquie," I replied.

"The leopards are even better to watch," Sheila observed. "Hotter, I mean. But I think they're seasonal animals or something. I'm not an animal expert, but I think they mate at certain times of the year, and I guess now isn't their time. But they're much more...inspiring."

I looked at her. I wasn't used to strangers approaching me out of the blue and telling me they were turned on by watching animals mating! Even though I had to admit that watching itsometimes had the same effect on me... as it was doing now.

And the animals weren't the only thing having an effect on me—Sheila herself was definitely turning me on.

I was only mildly surprised. I hadn't had a bi encounter in several years, but she certainly wouldn't be my first. I turned and looked at her. She smiled at me. Was that a hint of slyness in her smile? Did she know the effect she was having on me?

Deciding I was letting my imagination run away with me, I smiled back at her and deliberately turned away to face the monkeys. But that left me watching the two monkeys coupling, and there went my fuck-fever soaring again. Again I squeezed my thighs together, trying to give my clit a little of what it was crying out for.

"Now they're doing it too!" Sheila squealed, pointing to another pair of monkeys that had begun to join in the fun. Her pointing hand fell back and landed on my arm, squeezing it in excitement. At her touch,

*I kept watching as she spread her legs obscenely wide and spread her labes wide with both hands, revealing a scarlet, juice-drenched slit, glistening with love honey. "See what you did to me?"*

---

I grew goosebumpy and felt flushed. Shit! Did she realize the effect she was having on me?!

"Has the day gotten warm, or is it me?" Sheila suddenly asked.

"I think it's you," I answered, laughing a little too hard. I was feeling chills, myself.

"Want to go to the café and get a glass of wine?" Sheila suddenly asked. "If I watch any more of this, I'm gonna...."

Going to what? I wondered. "Sure!" I said aloud.

I knew the café she meant—it was a short distance from the zoo, with outdoor tables. We got our respective cars from the parking lot and met again at the café. There, over a glass of wine, we engaged in animated conversation. Sheila kept dropping her hand to my arm as she talked, briefly squeezing it for emphasis. But was that really all she was doing? I've met other people who are touchy-feely types and not a bit bisexual. I didn't want to assume Sheila was signalling any interest that wasn't intended.

Even when she said, after the second glass of wine, "Hey—wanna go back to my place? I've got

I answered her with a kiss that silenced the rest of whatever she was going to say. My tongue probed at her teeth, and she opened up to admit my thrusting tongue and parried against it with her tongue.

We'd already started the grill going, so we went ahead with the dinner preparation, but we both had something more on our minds. If we both rushed through our meal, it wasn't because there was anything wrong with Sheila's pork chops—they were awesome. We just had other things on our minds.

"Those monkeys really got to me," Sheila commented after dinner as she undressed in her bedroom, revealing ripe, round boobs with pert, dark nipples and huge areolae.

"You really got to me," I answered, fastening my mouth around one of her nips and sucking as much tender breastmeat as I could into my mouth.

"Mmmm," Sheila purred as my tongue swirled around her chocolate-brown areola. "Mmmmmmm."

I joined the chorus of "Mmm"s as I felt her nipple harden and swell in my mouth, and I slid my fingers down from her waist to her luxuriant auburn bush, then slipped down between the plump, engorged labes that concealed her hidden treasure and continued on till I'd found the pearl she was hiding.

Her slippery clit was bulbous and slick, and my finger swirled around it teasingly as Sheila groaned and began to sag. "Let me get on the bed," she said, "and you... get those clothes off."

I was still dressed. Disengaging my mouth from her nipple and my finger from her clit, I watched as she took two steps backward and dropped to the bedspread. I kept watching as she spread her legs obscenely wide and spread her labes wide with both hands, revealing a scarlet, juice-drenched slit, glistening with love honey. "See what you did to me?" she purred. Then she inserted a finger into her valley and began playing with her clit, showily masturbating for me.

I hurried out of my clothes, letting them fall willy-nilly on the floor, which isn't like me at all.

"Hurry!" Sheila urged. "You should be doing this to me." But she didn't act like she minded doing it herself. I had the feeling she was greatly enjoying putting on a lewd show for me.

"You're a tease!" I laughed. "You're as bad as those monkeys, and just as blatant." Then I lifted one bare leg up and placed my foot on the corner of the bed, swinging my knee wide and revealing my own sopping bush. "Like what you see?" I asked as I threaded

some pork chops we could throw on the grill," I accepted with no real certainty that she was offering anything more than dinner.

But she made herself very plain as we stood in her kitchen. I'd offered to help, and she assigned me to make the salad. As I stood tearing and washing lettuce, Sheila turned to me, put her hands on her hips, and said, "Let me be blunt. We can just have a nice little dinner and conversation, or...."

"Yes?" I encouraged her.

"I'm bi, and you turn me on. If that offends you...."

*Waves shuddered through my body as my clit quivered and throbbed. I sobbed aloud with the enormous relief of satisfaction.*

a finger through my brunette curls and began to swirl around my own clit. "Two can play at that game."

"Get over here," Sheila ordered throatily. But she was still wriggling her finger across her stiffened clitty, and now her body was hunching up and down on the bed in heat.

"You're worse than the monkeys," I said. "You're doing it to me deliberately." I put both knees on the bed and crawled up till I was hovering over Sheila. Then I dropped my body on top of her till we were in the scissors position.

We began to hunch against each other, each with one thigh driving against the other's pussy. As I ground down hard against her tense, muscular leg, she pushed it up against my pussybush and managed to contact my quivering clit. I seethed with raw passion and ground down as hard as I could against her. I was coming to a rapid boil. Sheila's pussy was doing plenty of wiggling on its own. As she writhed and hunched and humped on the bed, she threw herself against my thigh and ground desperately in a quest for the orgasm that was hovering near, yet eluding her. I certainly tried to help! I ground my thigh urgently against her, feeling her gushing juices slobbering onto my tautened thigh.

That first orgasm came quickly for both of us. As her firm, curvy, pillowy boobs smushed themselves against my more petite ones, her mouth opened in a grimace of need and then suddenly froze in an agony of desperation rewarded. Her scream was unworldly—and loud enough to bring the neighbors running. Fortunately, it must have been the case that no one was at home next door.

As Sheila cascaded into climax, I followed suit and trembled in my own thundering release. Waves shuddered through my body as my clit quivered and throbbed. I sobbed aloud with the enormous relief of satisfaction.

Then Sheila drew my head down to hers and kissed my lips with her lips. This time it was her tongue that invaded my mouth instead of the other way around. And before we had even recovered from the first climax, we were spiralling upward again.

I don't think either of us suggested a 69—we just were both hit with the same inspiration and wriggled around so that we were on our sides, mouth-to-pussy. Sheila's drenched aperture was acrid and salty and steamy and soaked. I lapped up the lush taste avidly, not even concentrating on her clit yet but just trying to swallow all the juices I could get.

When I had drunk down most of her slushy outpouring (though she was certainly doing a good job of producing more fluids copiously), I began to lap at her clit-pearl, enticing it into renewed stiffness. Sheila once again played Follow the Leader and did the same for me as I was doing for her. As her industrious tongue targeted my clit with remarkable accuracy, I flailed around on the bed, unable to keep still.

The vixen was drilling my pussy-hole now, abandoning my clit to quest up my tunnel in search of further love fluids. I groaned at the sweet torture, which was succeeding in getting me hotter than ever but not helping at all to get me off. "Eat me!" I begged. "My clit! Tongue my clit!"

Taking pity on my anguish, Sheila retracted her tongue from my tunnel and extended it to my wildly throbbing clit. Just three well-aimed flicks and I was sobbing through another shuddering climax. I lost all concentration and momentarily abandoned my licking of her clit, but as soon as I began to drift back down to earth, I resumed resolutely tonguing Sheila's clit, and in another minute she was shrieking her way through a second climax too.

"Girl, are you always this hot?" she asked in wonderment.

"You helped. And so did the monkeys," I giggled.

"Monkey see, monkey do?" she teased.

"I think we were imitating them this time instead of the other way around."

"Let's do it again soon," she urged.

"Okay," I agreed, "though I don't think we'll need to go to the zoo first."

"I don't think we need any inspiration but each other," Sheila agreed.

Like most women, I like variety when it comes to sex.

In the men I'm with; in the positions we try; and of course, the places we do it. I like quickie sex, and long, slow love-making.

# Janet

Anything that's different is right by me.

Once I get the urge to do it, there's no stopping me. I'm like a horny train that can't be stopped.
